

The Future is Bright!

GENERATIONS SENIOR LIVING COMMUNITIES WILL BE
AMONG THE FIRST TO RECEIVE THE COVID-19 VACCINE!

We are excited to announce that our communities will be receiving the COVID-19 vaccine so that we can begin to stop the spread of this virus across our country and get back to a normal life.

Our communities are enrolled in the CDC COVID-19 vaccination program which means that our residents will be **given priority** to receive the vaccine this month. We have partnered with CVS and Wallgreen's to administer the vaccine to our residents and staff on-site at our communities.

#GETVACCINATED

COVID-19 Vaccine Clinic Dates:

(Must move in prior to January 27 or February 13 to be guaranteed to receive both vaccines)

Generations Senior Living of Berea

Clinic # 1: January 6 | Clinic # 2: January 27 | Clinic # 3: February 17

Generations Senior Living of Strongsville

Clinic #1: January 23 | Clinic #2: February 13 | Clinic # 3: March 6

If you or someone you know is considering a move to one of our communities, now is a great time to join us. Becoming a resident will allow you to be among the first to receive this potentially lifesaving vaccination. Just as exciting, you can begin to experience all the benefits of living in a vibrant community, with delicious dining options, social opportunities and personalized care whenever needed.

Contact us if you have questions, a potential referral or if we can assist you in any way!
